

PRINCIPAL TEAM

Zoran Popovic

Civil Engineer, Bachelor of Science (B.Sc.)

Type of Principal Experience: A. Project Manager: Construction
B. **Consultant in Engineering for Hydraulic Resources and Hydraulic Projects**

Studies

Background:

<i>Year from/to:</i>	<i>Country:</i>	<i>Project and Position:</i>
2011-Present	Honduras	Hydroelectric Projects C.H. Chamelecon (11 Mw), Zinguizapa (2.2 Mw), La Vegona (38 Mw), Betulia (5.3 Mw) Director of the projects
2011	Honduras	Hydroelectric Project C.H. los Chorros (124 Mw) Consulting Manager
2009-2010	Bolivia	Hydroelectric and Irrigation Project C.H. Misicuni Project Manager
2007 - 2008	Guatemala	Hydroelectric Project C.H. Hidro Xacbal – Manager of Construction Engineering Engineering
2004-2007	Bolivia	Road project “Villa Montes-La Vertiente-Palo Marcado” Project Manager
2003-2004	Bolivia	Project “Planta de tratamiento y almacenamiento de granos” Project manager
2002 -2003	Bolivia	Feasibility study of Hydroelectric project “Grande” (2,800 Mw, 8 dams system on the river Grande) Technical Manager.
1998-2002	Bolivia	Road project “Santa Cruz – La Guardia” Project Manager
1996-1997	Peru	Hydroelectric Project C.H. Curumuy (6 Mw) Project Manager
1994-1996	Peru	Hydroelectric Project C.H. Quiroz (16 Mw) Project Manager
1991-1994	Peru	Irrigation Project Chira Piura III Phase Technical Manager
1987-1990	Iraq	“Navigation Lock N°1 – Contract 2M” Project Manager
1985-1987	Yugoslavia	Water treatment Project “Gradole” Project Manager
1984-1985	Peru	Irrigation Project Chira Piura II Phase Technical Manager
1983-1984	Malaysia	Road project “Expressway Ajer Keroh-Pagoh Section” Chief Engineer
1980 - 1983	Peru	Irrigation Project Chira Piura II Phase Chief Engineer
1977-1980	Yugoslavia	Drainage system “Godominski Rit” of the Hydroelectric Powel plant “Djerdap” (2800 Mw) Chief Engineer
1975-1976	Yugoslavia	Tunnel Project “Mirijevo” Chief Engineer
1974-1975	Yugoslavia	Hydraulic model of Mratinje Hydroelectric Project (400 Mw) Civil Engineer
